# Ewald Kuch

Der in Deutschland geborene Künstler Ewald Kuch versteht sich als Kosmopolit. Der Autodidakt hat Teile seiner Schaffenszeit in Europa und in der Karibik verbracht. Sein umfangreiches Werk besticht durch das Vermischen unterschiedlicher Umsetzungstechniken von Pastell, Acryl und Öl. Er hat sich auf großformatige Abstrakte spezialisiert die voller Farbtiefe und ausdrucksstarker Textur sind. Das Zusammenspiel von großen Farbflächen in Kombination mit feinen Linienführungen und dekorativen Elementen machen seine Bilder zu eindrucksvollen, designstarken Blickfängen an der Wand.

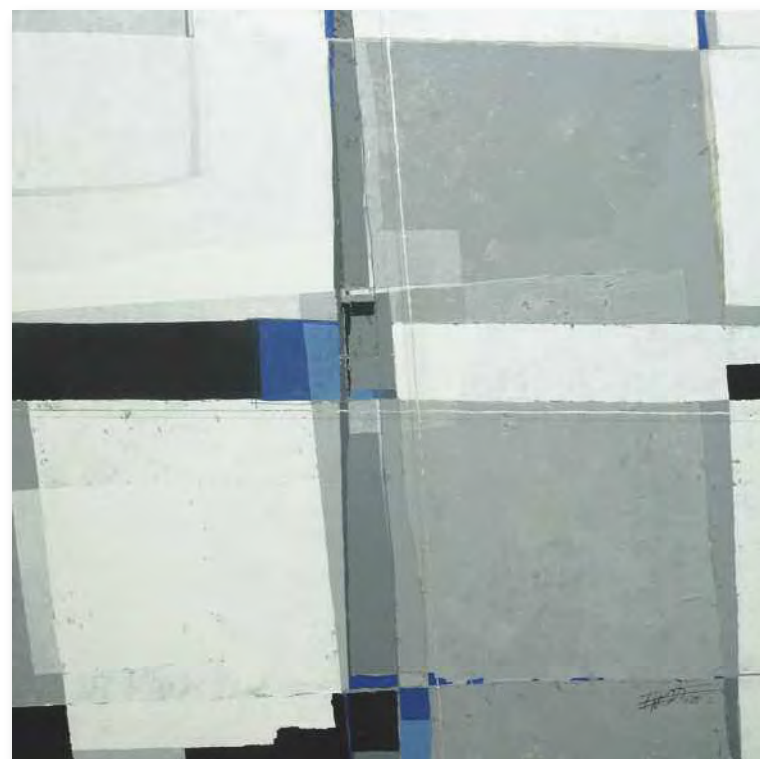

Ewald Kuch was born in Germany and considers himself cosmopolitan which is why he chooses to live and work in both Europe and the Caribbean. As a self taught artist and a creative enthusiast he has mastered many painting and palette mixing techniques including water colour, pastels and oils. Specializing in bold abstract work full of depth and texture Ewald Kuch's sometimes complex paintings incorporate strong blocks of colour, detailed line work and interlocking rounded shapes. His work is strong and impactful and designed to make a dramatic impact on any wall.

Ewald Kuch, un peintre né en Allemagne, est un réel cosmopolite. L'autodidacte a vécu son époque créative en Europe et aux Caraïbes. Ses oeuvres se caractérisent par de différentes techniques à base de peinture acrylique, pastel et huile. Il s'est spécialisé dans des peintures abstraites aux couleurs intenses et à la texture très expressive. Le jeu de grandes surfaces de couleurs combinées à de fines lignes et à des éléments décoratifs font de ses peintures de véritables tapes à l'oeil au mur.
